

Exnora Green Pammal

For street bin-free and litter-free India

5th Jun 2017 - WORLD ENVIRONMENT DAY- CONNECTING PEOPLE WITH NATURE

Exnora Green Pammal is celebrating World Environment Day as a weeklong celebration connecting 10000 people to nature.

On 4th June organised a full day exhibition at Mylapore Chennai where EGP demonstrated "Source segregation and different models of Home composting. Nearly 500 residents visited the stall and bought manure which is the connecting link with

500 families.

On 5th June at Greater Chennai Corporation EGP is participating in Swatch Bharath oath and organise Exhibition on Source Segregation.

In this way EGP is connecting with 2000 households since Resident welfare association and street committee are participating.

In Uttarakhand state our EGP team is planting Trees to reduce carbon footprint at the compost yard. All Resident Welfare Associations are participating; thereby we are connecting 6000 households with nature.

On 7th June EGP is organising Exhibition at Asian Paint Company connecting 1000 Asian paint employees the theme. My Waste My Responsibility.
