

### **Visit by students of SRM University**

---

Students from school of Public Health, SRM University visited Exnora Green Pammal on 25 March, 2014, to learn about Solid waste management. They attended a knowledge session on Solid waste management by Dr.Mangalam Balasubramanian, Chairperson, Exnora Green Pammal. They were then taken for a visit to the biogas plant and vermicomposting units managed by Exnora Green Pammal.

**Dr.Mangalam Balasubramanian, Chairperson, Exnora Green Pammal, explaining Solid waste management to the students**
